Kids love cuddles childcare

Summer Term: We love to spend as much time as possible outside. So this means that all children from 0-4yrs must come dressed to have fun outside every day; this now includes a hat and sun lotion. Please remember that **NO** flip flops or crocs can be worn by the children at nursery. We know that your summer holidays are approaching please remember to advise the admin team of any holidays on canford@cuddlesnursery.co.uk. If your child is starting school in September 2017 please remember that we require 6 weeks' notice in writing so that we can process your request.

Your management team at Cuddles Canford Heath:

Jenni Deputy Manager (Left) is supporting Fran your Nursery Manager.

Funded hours....(3&4 year's only)

Sadly only 20% of families have returned our survey asking for your thoughts regarding the 30 funded hours due to start in September. Without sufficient feedback from you we will find it difficult to predict the session pattern you might want in September.

In our last newsletter we pointed out that we are underfunded for the "free" hours. This situation will be made worse over the coming years as the funding has been frozen until 2020. We are currently looking at introducing a token cost for those children who attend solely for the 15 (or 30) funded hours. Once a decision has been made we will write to each family individually.

Please remember to inform us of any changes to your personal details or circumstances e.g. mobile or landline number, email and address!

Collections:

Don't forget that the nursery charges £10 per 15 minutes when you are late to collect your child. Please call us as soon as possible if you think you are going to be delayed.
TEL: 01202 672671

FRONT DOOR: We ask you: *Please* do not hold the door open for other people. Please hold your child's hand to ensure they can't run out of the front door. **This is for your child's safety!**

From the 5th May these cease to be legal tender so we will not accept any old £5 notes after this date thank you.
