*Hello my name is Paula. I have worked with children and families for the past 23 years in numerous roles, including having my own pre-school in Christchurch. I have been at Poole Children's Centres now as an Early Learning and Development practitioner on the School Readiness team for 5 years and I am very passionate about my work with children and families.  
I have two daughters of my own who are now 19 and 15.*

### Home Learning and Parent Partnerships

*Did you know that 80 % of my brain development happens from experiences I have by the age of three?*

## What is Play and Learn together?

Play and Learn Together is a Poole based Early Years Setting project developed to strengthen home learning and parent partnerships between parents, settings and Children's Centres.

As a parent, you are your child's first and most important teacher and we would love to share some top tips and ideas to ensure that your child has the best possible start.

Your Child's nursery/school have invited you to come along and join in with our Play and Learn Together sessions, on the following dates:

**Thursday 30<sup>th</sup> January**  
**Thursday 6<sup>th</sup> and 13<sup>th</sup> February 2020**

---

We would love it if you could join us with your son/daughter.

It is no different to a stay and play session, but we will be there to offer tips, advice and home learning activities.

If you have any concerns with regards to your child's development, behaviour and wellbeing, or would just like to come along and spend some quality time together with your child in their special place then please join us.

You do not have to attend every session, but you can do if you would like.

We look forward to meeting you.
