Frequently Asked Questions

Can I book by the hour or do I have to book a whole day session?

Hourly sessions are available on non-trip days (a minimum of 4 hours and a maximum of 6 hours). We offer trips so that children have a wide range of activities on offer and some trips involve travelling in and around Dorset so a full 8am-6pm day ensures that children have plenty of time to play!

What do I need to provide?

Most children of school age will not need a change of clothes during their day with us however on trip days we recommend providing your child with a change of clothes. Children should wear practical clothes for the activities planned and suitable shoes for anything physical. For water based activities children would benefit from having swim wear and a towel. We will provide children with sun cream unless you choose to supply your own and advise to bring a hat on very hot days. British weather can be very temperamental so we won't always be able to get fully involved in outdoor water activities but we will take advantage of the lovely sunshine when we can.

What about meals?

We provide a morning and an afternoon snack to the children but on most days you will be asked to provide a lunch box. Some activities include lunch as part of the cost so please read the activity information fully when you book.

My child has an allergy – what happens about this?

If your child has an allergy you should always inform the staff in charge of the day. Any medication such as Piriton or Epi Pens must be given to a staff member and we will carry this with us on the trip. Children with food allergies will be given an alternative snack suitable to their dietary needs.

Can sessions be cancelled?

No unfortunately, all pre-booked sessions will need to be paid for even if you do not attend. If we have to cancel an activity due to bad weather or if we do not have the minimum amount of children attending to cover the external activity requirements, then we will refund the cost of the trip/activity only.

Can I pick up my child early on trip days?

On non-trip days you are welcome to drop off and pick up your child at any time however we don't always stay in the nursery building so it is advisable to telephone first to find out where to collect. On trip days we ask that you arrive at the nursery by 8:30am so that we can leave promptly and we will always arrive back at the nursery by 5:30pm.
